Cylinders

Discover a solution for every space. Complete with 3 product families, USAI Lighting offers specifiers numerous cylinder lighting options that complement our award-winning recessed lighting platform, while providing a consistent aesthetic. Explore the possibilities.

THREE PRODUCT FAMILIES

1 NanoLED® Cylinders
Compliments NanoLED® recessed downlights. It's our smallest cylinder diameter.

2 BeveLED Mini® Cylinder
Cylinder version of the beloved BeveLED Mini® recessed downlight, this high-performance light comes in square and round cylinders.

3 BeveLED® 2.2 Cylinder
High performing architectural cylinders with field cuttable stems work in harmony with our recessed BeveLED products.
